Aditya Corporation

<http://www.adityacorporation.in/>

We are prominent wholesaler, trader and distributor of Office Equipments. These are obtained from dependable vendors and are known for enhanced performance and user friendliness.

About Us

Formed in the year **2006**, at (Delhi, India), we, "**Aditya Corporation**", are a renowned name engaged in wholesaler, trader and distributor of Office Equipments. Our products are appreciated for reliable performance, durable finish standards, robust construction and optimum functionality. The offered products are procured from the most apparent vendors of the country and are modified according to the guidelines laid down by our valuable customers. Our dedicated and unfaltering faction of talented and capable workers and procuring agents, with the help of our latest modulation department, re-models clients' consignments for maintaining complete precision. Our products are quality tested for robustness and consistency and are thus ready for use in the commercial world for total performance efficiency.

We are backed with the team of skilled competent professionals, we have been able to make good will in market. We hire our expert on the on basis of their qualification & industry experience. Our adroit team of expert work hard rounds the clock in close-coordination with client to meet the different demand of client & provide product of best quality. With the help of our liable procurement agents, we have developed a wide base of authentic vendors, who ensure to deliver high quality products as per the specific needs of clients. We have selected these authentic vendors on the ground of financial background, past records of accomplishments, market reputation, ability to meet large and urgent orders, etc. With the help of our hardworking employees, we have been able to deliver consignment in given period. Our excellent management system ensures smooth business process that has helped us to grow as the leading player in this domain.

Owing to the skilled adeptness of our mentor **Mr. Pramod Bhargava**, we are proclaimed by our clients as most reliable and prominent enterprise. With his market adaptive and qualitative management approach, we have garnered vast clientele base to serve.
